(06 NIGHTS/07 DAYS)

**HIGHLIGHTS: KATHMANDU CITY • POKHARA TOWN • DHULIKHEL TOWN  
• LUXURY HIGH END HOTELS**

### NAMASTE AND WELCOME TO NEPAL!

Nepal is a small landlocked country with a diversity of natural and cultural wealth you will find in few places on earth. The land rises abruptly from the sweltering Terai plains in the south at 60 meters above sea level to the freezing heights of the Himalayan in the north well above 8000 meters culminating in the highest point on earth, Mt. Everest at 8848 meters - with lush sub-tropical forests, green hills and valleys in between - within a distance of a mere 200 km.

Culture is embedded in the high peaks of Nepal, tradition flows with its rivers, art traverses through its valleys and religion lies in the heart of its people. Nepal, in short, is a country where art, culture and religion are a part of life of the inhabitants.

Walk around Kumari Chowk which is a home of "living goddesses", she comes to the balcony at the scheduled time to welcome the guests.

### Continue on to **Swyambhunath Stupa**

On the top of the hill west of Kathmandu value is one of the popular and instantly recognizable symbols of Nepal. It is also referred to as “Monkey Temple” by many tourists because of the large tribes of monkeys that guard the hill. Legends say after the Bodhisattva Manjushri drained the water from the lake revealing the Kathmandu valley, the lotus on the island of the lake was transformed into the hillock, and the blazing light from the lotus became the statue.

### Afternoon, sightseeing tour of **Patan Durbar Square**

Patan also known as Lalitpur is the second largest city inside the valley.
